

Folks,

Football season is heading toward NFL Super Bowl XLIII and it's time to get your cameras, accessory equipment and photographica ready for the 2014 PSPCS Show/Swap/Sale.

The information forms for the up-coming 2014 PSPCS Annual Show are now complete and may be found on the Fastglass Wiki at:

<http://fastglass.wikispaces.com/PSPCS+Sale+Seller+Information>

I have attached the 2014 Sale Brochure and Display form to reserve sales and display tables. Please print, complete and return this form(s) to me at a regular PSPCS club meeting or via snail mail or via email at hbeyea@comcast.net to request tables.

You may also reserve sales tables online by following the Show Registration link at: <http://fastglass.wikispaces.com/PSPCS+Camera+Show> There is a button at the bottom of the registration screen offering an option to order tables and pay by PayPal.

If you have already reserved and/or paid for your tables, please forward this email to a friend who may also want to attend the sale either as a seller or as a buyer. There are still tables available.

If you would also like a hard copy of the Brochure sent to you by U. S. Postal Service, please email me back. See you at the 2014 Show!

Regards,
Harold Beyea - PSPCS 2014 Sale Registrar

N.B. Display prizes are for 'Best in Show' not category. 1st thru 3rd place ribbons will still be awarded by category.
